

Health and beauty are the glories of perfect womanhood. Women who suffer constantly with weakness peculiar to their sex cannot retain their beauty. Preservation of pretty features and rounded form is

a duty women owe to themselves. When women are troubled with irregular, suppressed or painful menstruation, weakness, leucorrhora, displacement or ulceration of the womb, that bearing down feeling, inflammation of the ovaries, backache, bloating (or flatulence), general debility, indigestion, and nervous prostration, or are beset with such symptoms as dizziness, faintness, lassitude, excitability, irritability, nervousness, skeplessness, melancholy, "all gone" and "want-to-be-left-alone" feelings, blues, and hopelessness, they should remember there is one tried and true remedy. Lydia E. Pinkham's Vegetable Compound removes such troubles.

Case of this Prominent Chicago Woman Should Give Everyone Confidence in Lydia E. Pinkham's Vegetable Compound.

"DEAR MES. PINKHAM: - It affords me great pleasure, indeed, to add my testimonial to the great number who are today praising Lydia E. Pinkham's Vegetable Compound. Three years ago I broke down from excessive physical and mental strain. I was unable to secure proper rest, also lost my appetite, and I became so nervous and irritable to that my friends trembled, and

I was unable to attend to my work. Our physician pre-scribed for me, but as I did not seem to improve, I was advised to go away. I could neither spare the time nor advised to go away. I could neither spare the time nor money, and was very much worried when, fortunately, one of my club friends called. She told me how she had been cured of ovarian troubles, and how like my sympterns were to hers, seven bottles of your medicine cured her, and she insisted that I take some.

"I did so, and am glad that I followed her advice. Within six weeks I was a different woman, strong and robust in health, and have been so ever since.

"A number of my friends who have been troubled with ailments peculiar to our sex have taken your compound, and have also been greatly benefited." — MISS ELIZABETE DALEY, 270 Loomls St., Chicago, Ill. President of the St. Ruth's Court, Order of For-

What is left for the women of America, after reading such letters as we publish, but to believe. Don't some of you who are sick and miserable feel how wicked you are to remain so, making life a burden for yourself and your friends, when a cure is easily and inexpensively obtained? Don't you think it would pay to drop some of your old prejudices and "Try Lydia E. Pinkham's Vegetable Compound, which is better than all the doctors for cures?" Surely the experience of hundreds of thousands of women, whom the Compound has cured,

should convince all women Follow the record of this medicine, and remember that these cures of thousands of women whose letters are constantly printed in this paper were not brought about by "something else," but by Lydia E. Pinkham's Vegetable Compound, the great Woman's Remedy for

These women who refuse to accept anything else are rewarded a hundred thousand times, for they get what they want — a cure. Moral — stick to the medicine that you know is the Best. Write to Mrs. Pinkham for advice.
